

Updated 3/11/2024

They include Forest Insect Reports (and bibliographic lists) of various agencies in western States and Regions including Alaska, Canada and US. Other finding aids pertain to Idaho Dept. of Lands (L. Livingston), Ronald W.Stark, James C. Evenden (Coeur d'Alene Forest Insect Lab), and WFIWC Archives.

To deposit historical material, contact the library by phone (208) 885-0845 or email libspec@uidaho.edu.

Finding Aids for Forest Entomology holdings are on the web under Forestry <https://archiveswest.orbiscascade.org/search.php?r=idu> , then search Western Forest Insect Work Conference.

Or enter into your web browser “archives west Western Forest Insect Work Conference.”
